What is OPT?

Allows for off-campus work authorization for F-1 students in their primary field of study.

- Students do not need an offer letter to apply for OPT.
- Students must be in full-time F-1 status for at least one academic year.
- Apply in your final semester of study no more than 90 days before your program end date.
OPT and CPT Usage

- If you used 1 year or more of full-time Curricular Practical Training (CPT), during your current degree level, you do not qualify for OPT.
- Part-time CPT should not count towards OPT disqualification.
- Heavy CPT usage (part-time or full-time) may result in additional scrutiny of your OPT application. Be prepared to provide evidence of all prior CPT I-20s, as well as the academic work related to your CPT.
Types of Qualifying Employment

During your 12-month OPT period, OPT employment must be a minimum of 20 hours per week in a job directly related to your degree program. It is the student’s responsibility to demonstrate relationship between coursework and employment. Here are types of employment permitted:

- Paid employment
- Multiple employers
- Work for hire (commonly referred to as 1099 employment)
- Self-employed business owner (must obtain proper business licenses)
- Employment through an agency
- Volunteers or unpaid interns (Post-Completion OPT only. Not eligible for OPT STEM Extension)
OPT Start Date

- Your OPT start date is the date that your 12 months of work authorization begins.
- OPT start date must be *within the 60-day grace period* after the program completion date.
- The requested start and end dates will be noted on page 2 of your new OPT I-20
- The end date will be 1 year from your start date (i.e. July 2, 2023 to July 1, 2024)

IMPORTANT: Once USCIS receives your OPT application, it is not possible to change your OPT start and end dates.
Tip: Apply early. Average processing time is 3-5 months.

Tip: When selecting your OPT start date, don’t select holidays or weekends.

- Track the status of your application through the USCIS portal.

I-797 Notice of Action & USCIS Case Tracking

- You will receive an I-797 receipt notice online at USCIS.
- You can also use your receipt number to check your case status
- [https://egov.uscis.gov/casestatus](https://egov.uscis.gov/casestatus)

- You can track the status of your OPT application with your receipt number on your I-797. DO NOT LOSE YOUR I-797. Make a copy for your records and keep in a safe place.
- Verify your name, date of birth and address on your I-797 receipt notice. If incorrect, please contact the USCIS service center listed on your I-797.
Application Problems – RFE or Rejection/Denial

Request for Evidence (RFE)
If there is a problem with your application, USCIS may send you a notice by mail. An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued. Getting an RTI will delay the processing of your application. Contact the International Studies Office immediately so we may assist you with your application.

Rejection/Denial
In some cases, if too many items are missing from your application, USCIS will return the entire application to you. If this happens, you must make the corrections and send the application before the end date of your 60-day grace period. Contact the International Studies Office immediately so we may assist you with your application.

To avoid delays, review your application materials carefully for completeness and sign all the forms before mailing to USCIS.
The Employment Authorization Document (EAD)

- Review card to make sure the information is accurate. If not, contact an ISO advisor.
- Present your EAD to employers as proof of your legal work authorization in the United States.
- The EAD is a required document for entry to the U.S. during OPT.
- The validity dates listed on your EAD are the dates you are eligible to work. USCIS may change this from the dates you requested. Follow the dates listed on your card.

4. Applying for an F-1 Visa on OPT
5. Always check your UVA email
The Student Exchange Visitor Program (SEVP) has its own “SEVP Portal” for students on OPT and OPT STEM. You will receive an email with instructions on how to create an account.

You are required to report any changes in address or employment through the portal within 10 days of change.

If you are unable to access SEVP Portal, please report employment on ISSP Connect using the “OPT Employment Update” form.

Beware of scams! SEVP will never ask you for payment to register for the SEVP Portal.
Employment Requirements

• You must work a minimum of 20 hours per week in a position related to your field of study.
• **You cannot exceed more than 90 days of unemployment while on OPT.** Days of unemployment prior to your EAD start date do not count towards the 90 days of unemployment. It is your responsibility to keep record of your employment history and any periods of unemployment.

Travel Tips

- Avoid long absences from the US during the OPT period. Time spent outside of the US while unemployed by a US employer counts toward your 90 days of unemployment.
- Attempting to re-enter the U.S. close to the expiration date of your OPT can be risky.
- You must not enter the U.S. in a status other than F-1. This may result in the loss of your OPT eligibility.

Travel after Program Completion, but before OPT Card is received

- There is a higher risk associated with travel and return while your OPT is pending after the program completion date. If there are any problems with your application, you may not be able to respond to USCIS in a timely manner, which could delay processing of your EAD.
- If your EAD is mailed to your U.S. address and you are currently outside the U.S. you need to travel with your EAD before returning to the U.S. Be aware of the logistical complications to get your EAD mailed to your foreign address.
- If your OPT application is denied while outside the US, you will not be able to re-enter the US in F-1 status and will not be able to reapply.
Applying for F-1 Visa on OPT

If you are traveling abroad and your F-1 visa has expired, you must obtain a new F-1 visa before returning to the U.S. When going to your visa interview, bring the documents below.

- Valid Passport
- Valid I-20 with travel endorsement from UVA ISO Advisor within the past 6 months from the date of return to U.S.
- Unexpired EAD Card
- Job offer letter or proof of current employment directly related to your field of study
- Evidence of sufficient funds (e.g. a bank statement, a letter from sponsor or a job offer letter)
ALWAYS CHECK YOUR UVA EMAIL

• Important information regarding your immigration status will be sent to your official UVA email (@virginia.edu)
• Make sure to set up your alternate email address in UVA SIS

Students starting at UVA in 2006 through November 2021
• You received a UVA Google account (e.g., Gmail, Google Drive, etc.).
• When you graduate, you will continue to have access to the UVA Google platform.

Students starting at UVA in December 2021 or later
• You received UVA Microsoft 365 (formerly Office 365) email to use while at UVA.
• When you graduate:
  • Your Microsoft 365 account will expire nine months after you leave UVA.
  • You will continue receiving emails sent to your UVA email address via Alumni Email Forwarding.
Options After Post-Completion OPT

Further Education
OPT is granted once per degree level. OPT STEM can be granted twice, but only once per degree level. Outside of employment, you can remain in the United States by pursuing a new degree program.

OPT STEM Extension
If you are in a STEM program, you are eligible for an additional 2 years of employment. Apply 90 days before your OPT authorization expires. Visit issp.virginia.edu for more information.

Change Your Status
Examples: Change of status to H1b through employer, or change of status to F-2 through spouse. Contact an immigration attorney to learn more about other visa types to remain in the United States.

Depart the United States
After OPT authorization ends, you are permitted 60 days to remain in the United States, after which you must depart or change your status.
